

SUN SKEETER™ – Insect Repellent plus Sunscreen Towels

The first and only premoistened wipe to **combine the power of DEET with UVA/UVB sunscreen protection.** This patent pending combination is **EPA registered** and safe to use. Specifically formulated for the outdoor professional, these wipes are **completely greaseless** so application will not compromise the ability to grip. There's **no sticky residue** either, so once applied, the formula will not attract dust and dirt from the work site.

The wipes ensure smooth, even coverage without any messy lotions, bottle or sprays. The staying-power of the **water-resistant** formulas means no stinging eyes when the worker starts to sweat.

- Protects against exposure to the sun and disease carrying insects
- Fast, simple and convenient application
- Greaseless – no mess
- Water-resistant
