THE NTE® BRAND

Electronic components for:
- Industrial
- Consumer
- Commercial
- MRO Applications
- Cross References For Over 500,000 Industry Part Numbers

THE ECG® BRAND

- Butane/Electric Soldering and Heat Products
- Aerosol Chemicals
- Antenna Rotators
- Test Equipment
- Surge Protectors
- Wireless Security and Inspection Cameras

NTE offers unmatched service and in-depth inventory from some of the world’s leading electronics manufacturers.
# The NTE® Brand

## AC to DC Adapters
- Regulated
- 100 - 240VAC
- 50/60 Hz
- Wall Mount & Desk Top
- CE/UL Listed
- Folding Plug USB Type
- 1.1mm, 2.5mm, & 3.5mm tips
- SVDC through 24VDC
- 500mA through 1A

## Hook-Up Wire
- Automotive Wire
- Teflon Coated Wire
- Speaker Wire Clear
- 15 Colors and Gauges from 10 to 28
- Audio Speaker Cable
- 300V and 600V Solid and Stranded Wire
- Black/Red Braided Speaker Wire
- High Performance Multi-Amp Audio Cable
- Magnet Wire
- Test Lead Wire
- Multi-Connector Cable
- Pre-Loaded Wire Dispensers

## Cable Ties
- Standard Cable Ties
- Specialty Cable Ties
- Stainless Steel Cable Ties
- Cable Tie Tension Tools
- Twist Locks
- Cable Tie Accessories
- Convent Packs
- Split Loon
- Assorted Sizes and Colors
- Spiral Wrap
- Cable Clips

## Potentiometers and Trimmers
- Carbon Potentiometers
- Cermet Potentiometers
- Wirewound Potentiometers
- Military Potentiometers
- Cermet Trimmers
- Dials
- Knobs

## Resistors and Capacitors
- Resurfaced 1/8W to 20W
- Metal Film/Ohm
- Fusible Power Grade
- Carbon Composition
- Wirewound/Edgewound
- Power Wirewound
- Surface Mount Types
- Aluminum Electrolytic
- Read
- U/L Modules
- Surface Mount Types
- Magnetic Latching
- DIP Rel
- Full Featured
- Weatherproof
- Contacts

## Connectors
- Rear Panel Plastic
- Round & Oval Motor Cord Ends
- Automotive Connectors
- Panel Sockets
- OEM Safety Test Combinations
- 90° Rotated Outlets
- Safety Slide Covers
- Multi-Pin Connector
- Panel Sockets
- Alligator, Crocodile, Pin, and Spring Tip Clips
- Plug-In, Phone-Line, and Cable Connectors
- Safety Slide Connectors
- Twist-In Wire Connectors, Connectors, Chassis, Signals, Quick Splices
- Multi-Function Crimp Tool

## Fans
- AC and DC Types
- 12 and 24VDC
- 120 - 125VAC
- Sizes Include: 40x40mm, 60x60mm, 80x80mm, 50x52mm, 50x20mm, 60x20mm, 25x20mm

## Flexible LED Strips & Tubing
- LED Tubs Exposed, Black, White, Blue, Red, Green
- 20 mm High Output LED Strip/3mm High Output LED Strip/5mm High Output LED Strip
- 5050 & 3528 LEDs
- Water Resistant (IP67)
- Water Proof (IP64)
- 30 Degree View Angle
- Adhesive Back Tape
- Soft Touch Remote Control
- 16.4 Foot Reals (EM)

## Fuses
- Cartridge Case Sizes: 3 x 6.3mm x 0.181"
- 30mm x 0.181" & 32mm x 0.181"
- Glass, Ceramic, and Ceramic Wax Fuses
- Fast Acting and Slow Blow
- Standard, Mini, and Max Automotive Fuses
- Cartridge Case Sizes: 3 x 6.3mm x 0.181"
- 30mm x 0.181" & 32mm x 0.181"
- Glass, Ceramic, and Ceramic Wax Fuses
- Fast Acting and Slow Blow
- Standard, Mini, and Max Automotive Fuses
- Panel Mount Holders
- PICO Fuse Equivalent
- 1 A Type Equivalent
- In Line Fuse Holders
- Fuse Kits
- Axial Lead 5 x 20mm and 25mm Equivalent
- Photocell/Solar Panel Power
- LED Indicator Types

## Heat Shrink Tubing
- Thin Wall Cross-Linked Polyolefin
- Available in 11 colors
- Shrink Temperature: 255°C
- Wall Thickness: 0.035
- Adhesive
- Shrink Ratio: 2:1
- Thru/3 Dual Wall
- Metal Backs
- Thick Wall
- Assortment Packs
- Custom Marked Service

## Switches
- Bat Handle Toggle
- Padlock Toggle
- Metal and Nylon Pushbutton
- Sealed Automotive/Marine Types
- Pushbutton Switches
- Pull Chain
- Illuminated
- Anti-vibration Security Locks
- Security Locks
- Heavy Duty Switch
- Heavy Duty Cleaning Switch
- Jet Air Dusters
- Electronics Washes
- 141b Formula
- Replacements
- Silicone Lubricants
- Computer Glass and Plastic Cleaners
- Labeled and Adhesive Removers
- 3M and Scotch Cleaners
- Electronic Dusters
- Strain-Relief Connectors
- Plug-In Wiremold
- Grommets
- Butt Wiremold
- CABM Compliant Types

## Antenna Rotators
- Precision Cut
- Slotted Studs
- Butted One-Piece Axial Lead 5 x 20mm
- Electrically Soldering Irons
- Butane Powered Glue Gun
- Industrial and Economy Electric Hot Gun
- Miniature Soldering Irons
- Dual Heat Stabilizer Station
- Mechanical Soldering Pumps

## Test Equipment
- Digital Infrared Thermometer
- Analog Programmable Version
- Digital Display Control
- Infrared Remote Control
- Optional Support Base

## Surge Protectors
- Plug-In Protection
- For Office, Industrial, Institutional and Residential Applications
- Multi-Outlet Combinations
- Metal or Plastic Case
- Optional Phone-Line
- ESD Protection
- Optional EMI/RFI Noise Filter

## Wireless Security and Inspection Cameras
- WIC 1.2 Standard Version
- WIC 1.2 Deluxe Version
- 4.5 mm, 9 mm and 15.9 mm Camera Heads

## Botano/Electric Soldering and Heat Products
- Butane Powered Glue Gun
- Industrial and Economy Electric Hot Gun
- Miniature Soldering Irons
- Dual Heat Stabilizer Station
- Mechanical Soldering Pumps

## Aerosol Chemicals
- Hydroentangled Cellulose/Polyester
- C-Fold Wipes
- Electronic Contact Cleaners, Degreasers, and Wipes
- Electronic Contact Cleaners, Degreasers, and Wipes
- Heavy Duty Flux Cleaner
- Heavy Duty Cleaning Solution
- Soldering Irons
- 141b Formula
- Replacements
- Silicone Lubricants
- Computer Glass and Plastic Cleaners
- Labeled and Adhesive Removers
- 3M and Scotch Cleaners
- Electronic Dusters
- Strain-Relief Connectors
- Plug-In Wiremold
- Grommets
- Butt Wiremold
- CABM Compliant Types

## Assorted Splices
- Quick Splices
- Pre-Loaded Wiremold
- Panel Sockets
- OEM Safety Test Combinations
- 90° Rotated Outlets
- Safety Slide Covers
- Multi-Pin Connector
- Panel Sockets
- Butane Powered Glue Gun
- Industrial and Economy Electric Hot Gun
- Miniature Soldering Irons
- Dual Heat Stabilizer Station
- Mechanical Soldering Pumps

## Modular Test Leads
- Single and Multi-Protection
- 90° Rotated Outlets
- For Accommodate External Power Supplies
- High Joule Ratings
- Safety Slide Connectors
- 3 Outlets with 2 USB Chargers
- Energy Saving Power Center
- Digital Timer
