

TECHSPRAY®

NEW!

INDUSTRIAL MAINTENANCE CLEANER

The Next Generation of Industrial Cleaners!

G3® Industrial Maintenance Cleaner is ideal where a safe, non-flammable, and cost effective aerosol cleaner is required.

This patented cleaner is much safer than the three most common industrial solvents: TCE, nPB, and Perc.

Perfect for all types of degreasing, metal cleaning, contact cleaning, and other maintenance cleaning. This innovative cleaner quickly blasts off oils, greases, silicones, dirt and grime.

Replaces:

- **HCFC-141b** (*dichlorofluoroethane*)
- **TCE** (*Trichloroethylene*)
- **nPB** (*n-Propyl Bromide*)
- **Perc** (*Perchloroethylene*)

The EPA (Environmental Protection Agency) has issued a manufacturing ban of HCFC-141b, a very common industrial solvent. Availability is becoming an issue and prices are skyrocketing. G3 Industrial Maintenance cleaner is an ideal replacement!

Features/Benefits

- Non-Flammable Aerosol
- Much safer than most common industrial solvents – TCE, nPB, and Perc
- Powerful Cleaner – Ideal for Degreasing and Contact Cleaning
- Rapid Evaporation
- Low Residue
- Low Odor
- Non-Ozone Depleting

TECHSPRAY®

INDUSTRIAL CLEANERS

Industrial Maintenance Cleaner

- New Patented Formula
- Non-flammable Aerosol
- All-in-one Degreaser & Contact Cleaner
- Rapid Evaporation

1635-20S G3 Industrial Maintenance Cleaner
20 oz aerosol

Precision Maintenance Cleaners

- Non-flammable Aerosol
- Ideal for Electronics
- Powerful Degreaser & Contact Cleaner
- Rapid Evaporation
- Safe on Most Plastics

1630-16S G3 Blue Shower Maintenance Cleaner
16 oz aerosol

1632-16S G3 Contact Cleaner
16 oz aerosol

ECOLINE™ Maintenance Cleaners

- Economical but Flammable
- Ideal for Electronics
- Powerful Degreaser & Contact Cleaner
- Rapid Evaporation
- Safe on Most Plastics

1620-13S Ecoline Blue Shower Maintenance Cleaner
13 oz aerosol

1622-13S Ecoline Contact Cleaner
13 oz aerosol

TECHSPRAY®

Precision Lubricants

- Silicone Lube
- Cleans & Lubricates
- Displaces Water
- Waterproofs
- G3 Kleen-It is Non-Flammable

2420-10S Slic Silicone Lubricant
10 oz aerosol

2421-12S G3 Kleen-It
Non-Flammable Silicone Lubricant
12 oz aerosol

TECHSPRAY®

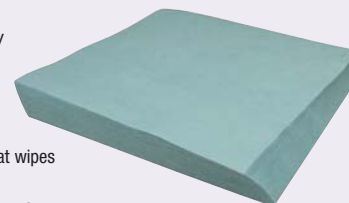

Maintenance Wipes

- High Absorbency
- Tear Resistant
- Low Linting
- Maintenance Wipe (2359) is Thicker with More Absorbency

2359-300 TechClean Maintenance Wipe
300 9" x 9" (23cm x 23 cm) flat wipes

2365-300 TechClean Economy Wipe
300 9" x 9" (23cm x 23 cm) flat wipes
