THE NTE® BRAND

AC to DC Adapters
- Regulated
- 12V - 24VDC
- 500mA to 4A
- Pre-Loaded Kits
- IEC 62301 Listed
- Folding Plug USB Type
- 4 Port USB Type

Fuses
- Cartridge Case Sizes: 3, 6, 10mm x 30mm, 15, 20, and 25Amp Equivalents, 10mm, 15, and 20mm, and 10 x 38mm
- Glass and Cartridge Fast Acting and Slow Blow
- Standard, Mini, and Max Automotive Fuse Cuts
- "Pan" Mount Holders

Heat Shrink Tubing
- Thin Wall Cross-Linked Polyolefin Available in 11 colors
- Shrink Temperature: 120°C
- Dual Wall Cross-Linked Polyolefin with Adhesive
- Shrink Ratio: 2:1
- Thiny 3/4" Dual Medium and Thick Wall Assortment Packs

LED Lamps + Halogen Bulbs
- Squared Interior 120VDC
- Rounded Interior 120VDC
- 13 and 120V Halogen Long Life
- Dimmable
- Rotating Swivel 120/240V Qualified Light Bar 12 VDC

Potentiometers and Trimmers
- Carbon Potentiometers
- Ceramic Potentiometers
- Waterproof Potentiometers
- Military Potentiometers
- Trimmers
- Dials
- Knobs

Relays
- Electromechanical Automotive Type
- Time Delay
- Thermal Circuit Breakers
- Accessories
- Replacement for Over 90,000 Types
- Solid State
- "Off" Models
- Surface Mount Types
- Magnetic Latching
- DIL Rail
- Full Featured
- Weatherproof
- Contractors

Terminals Blocks
- Barrier
- Euro-style
- 2 to 4 Pole
- 12mm and 11mm Pitch
- Single & Dual Row
- PC & Solar Terminal Blocks
- Pluggable
- Euro-style Barrier Strips

Semiconductors
- Power Switch-Hybrid Mix
- Small Signal/Power Transistors
- Transistor Suppressor Diodes
- Thyristors
- Integrated Circuits
- Industrial Rectifiers/bridges
- Robotic Components
- Replacements for Above 400,000 Industry Types
- Voltage Regulators
- Thermal CutOffs
- Zener Diodes
- Surface Mount Types
- Full Optical/Electronic Line

Straps
- Braid
- PVC
- Ridgid
- Tefzel
- Polyolefin
- Fiberglass
- Steel
- Nickel Plated Brass

Butane/Electric Soldering and Heat Products
- Butane Torches
- Heat Guns
- Soldering Irons
- Soldering Stations
- Transient Suppressors
- Power Block/Hybrid Mix
- Replacements for Above 400,000 Industry Types
- Splice Terminals
- Flag Terminals
- Pin Terminals
- Male and Female Panel Sockets
- Panel Sockets
- Self Assembly Plugs, Sockets, and Cables
- Cable Assemblies

THE ECG® BRAND (Continued)

Wireless Security and Inspection Cameras

Butane/Electric Soldering and Heat Products
- Butane Torches
- Heat Guns
- Soldering Irons
- Soldering Stations
- Transient Suppressors
- Power Block/Hybrid Mix
- Replacements for Above 400,000 Industry Types
- Splice Terminals
- Flag Terminals
- Pin Terminals
- Male and Female Panel Sockets
- Panel Sockets
- Self Assembly Plugs, Sockets, and Cables
- Cable Assemblies

Aerosol Chemicals
- Hydrofluorocarbon CFC / HCFC / HFC
damp Paint
- Electronic Washers
- Test Equipment

- Digital Infrared Thermometer
- Analog Multimeters
- Digital Multimeters
- AC Clamp-On Digital Meters
- AC Clamp-On Current Adaptor
- Digital Capacitance Meter
- Handheld Digital Thermometer
- Logic Probes
- Oscilloscope Probes
- Test Leads

Surge Protectors
- Plug in Protection
- 50° Rotated Outlets
- Plug in Protection
- Robust Design
- 30A Single Blade Protection
- 30A Single Blade Protection
- 100A Single Blade Protection
- 100A Single Blade Protection
- Jazz High Quality Outdoor Rated
- 30A Single Blade Protection
- 20A Single Blade Protection
- 15 Amp Outlets
- Energy Saving Power Center
- Digital Timer
THE NTE® BRAND

AC to DC Adapters
• Regulated
• 12, 24VDC
• 50/60 Hz
• Wall Mount & Desk Top
• CUL US Listed
• Folding Plug USB Type
• 4 Port USB Type

Fuses
• Cartridge Case Sizes: 3.8 x 10mm x 30mm (SAG) and 3.8AB Equivalent x 10mm, 10 x 38mm
• Glass and Ceramic
• Fast Acting and Slow Blow
• Standard, Mini, and Max Automotive
• Fast Clips
• Panel Mount Holders

• Fuse Blocks
• PTC Fuse E260
• 2 A Type Equivalent
• In-Line Fuse Holders
• Fuse Kits
• Arc Rail 3 x 60mm
• J105 Equipment
• Photovoltaic/Solar Panel Power
• LED Indicator Types
• Circuit Types

THE NTE® BRAND (Continued)

Resistors, Capacitors and Thermisters
• Snap-in Mount
• Multilayer Ceramic
• Metal Film/Carbon
• Carbon Composition
• Wire Wound
• Surface Mount Types
• Aluminum Electrolytic
• Tantalum
• Round & Oval Motor Support

Terminals
• Barrier
• Euro-Style
• 24 Pole
• 15mm through 11mm Pitch
• Single & Dual Row
• PC & Slotcard Terminals
• PCBstrip
• Euro-Style Barrier Strips

Semiconductors
• Power BIPOLE
• Hybrid Mix
• Small Signal/Power Transistors
• Transistor Switches
• Thyristors
• Integrated Circuits
• Industrial Rectifiers
• Bipolar

Switches
• Push Button
• Toggle Switches
• Paddle & Slide
• Metal & Plastic
• Illuminated

Soldering and Heat Products
• Butane/Electric Soldering and Heat Products

Botanic/Electric Soldering and Heat Products
• Variable Wattage Electric Soldering Iron
• Butane Soldering Irons
• Electric De-soldering Iron
• Electric Corded
• De-soldering Irons
• Tips and Accessories
• Soldering Iron Kits
• Butane Powered Glue Gun

Butane/Torch
• WIC-1™ Standard Version
• 90° Rotated Outlets
• 200W Equivalent

Wireless Security and Inspection Cameras
• WIC-100™ Deluxe Version
• 2.4" and 2.5" Removable Color
• Wireless Security Camera
• Video Out or Video SD Card for Recording
• Many Accessories

Security Types
• Mirror, Hook and Magnetic Types
• Magnetic Monitor Bases
• More Accessories

THE ECG® BRAND

Butane/Torch
• WIC-1™ Standard Version

Aerosol Chemicals
• Hydrocarbon-Based Celladine/Polymer E-Cool Wipes

Test Equipment
• Digital Infrared Thermometer
• Analog Multimeters
• Digital Multimeters

Surge Protectors
• Plug-in Protection for Office, Industrial, and Residential Equipment
• Rainproof Telephone Line Protector

Digital Timer
• 90° Rotated Outlets to Accommodate External Power Supply
• High Joule Ratings
• Power Center

Flexible LED Strip
• Flexible LED Strip
• Red, Amber, Blue, Green, White, Pink, Purple, and Red/Green/Blue
• 18, 35, 50, 500, and 600 LEDs
• Non-Water Resistant (IP20), Water Resistant (IP50) and Water Proof (IP60)
• Pre-Packaged Kits

Electroluminescent (EL) Wire
• Red, Blue, Transparent Blue, Green, White, Green
• 2.5mm and 2.2mm Diameter
• 9.6 Foot Length (3M) with Pre-Wired Connector

Sounders
• Multi-Outlet Combinations
• Metal or Plastic Case

Fuses
• Cartridge Case Sizes: 3.8 x 10mm x 30mm (SAG) and 3.8AB Equivalent x 10mm, 10 x 38mm
• Glass and Ceramic
• Fast Acting and Slow Blow
• Standard, Mini, and Max Automotive
• Fast Clips
• Panel Mount Holders

Relays
• Electromechanical
• Automotive Types
• Time Delay
• Thermal Circuit Breakers
• Accessories
• Replacements for Over 30,000 Types

Fuses
• Fuse Blocks
• PTC Fuse E260
• 2 A Type Equivalent
• In-Line Fuse Holders
• Fuse Kits
• Arc Rail 3 x 60mm
• J105 Equipment
• Photovoltaic/Solar Panel Power
• LED Indicator Types
• Circuit Types

THE ECG® BRAND

• Power Center
Worldwide supplier of high quality electronic components!

THE NTE® BRAND

Electronic components for:
• Industrial
• Consumer
• Commercial
• MRO Applications
• Cross References For Over 525,000 Industry Part Numbers

THE ECG® BRAND

• Butane/Electric Soldering and Heat Products
• Aerosol Chemicals
• Test Equipment
• Surge Protectors
• Wireless Security and Inspection Cameras

NTE offers unmatched service and in-depth inventory from some of the world's leading electronics manufacturers.
